ALLEN COUNTY PUBLIC LIBRARY

Today is the first day

of the rest of your life.

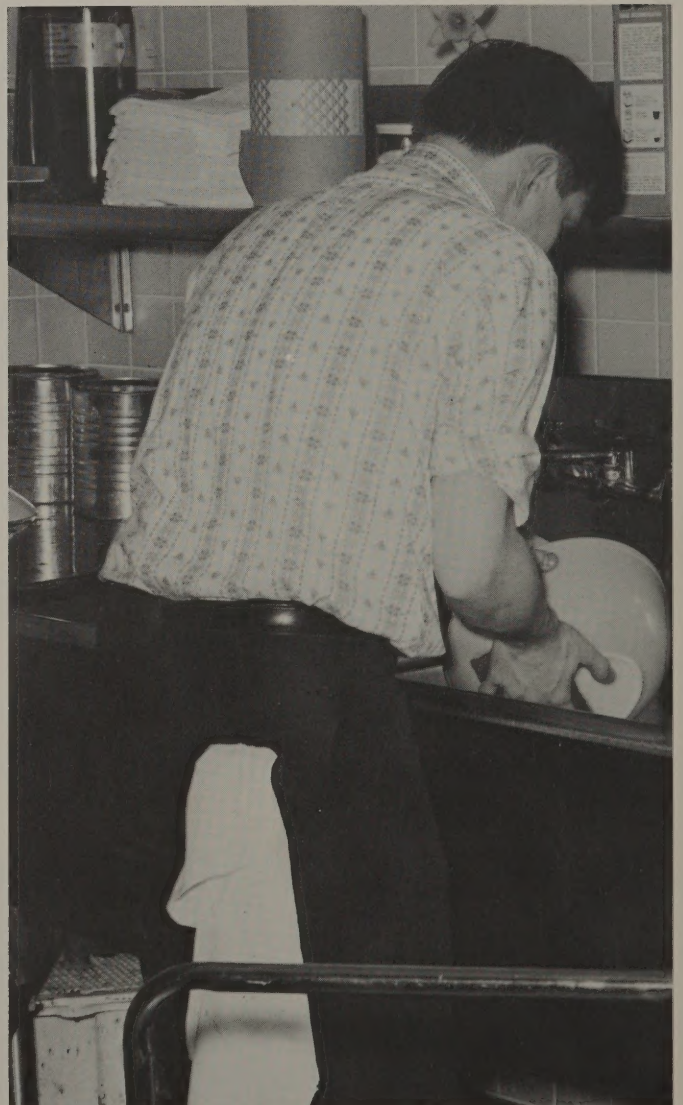

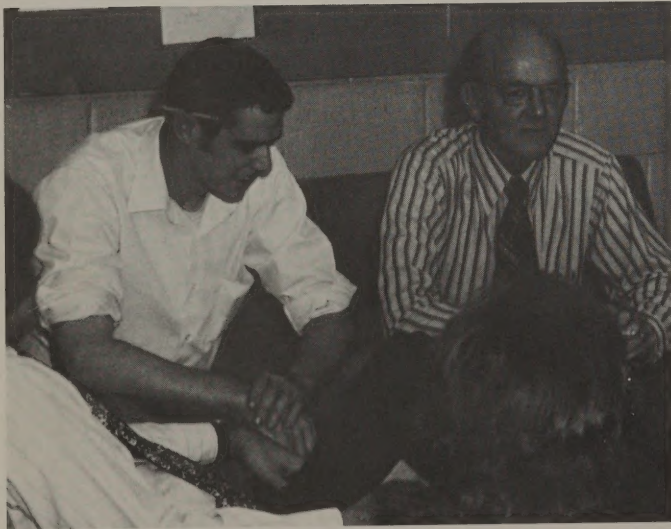

**THIS YEARBOOK IS DEDICATED
TO
YOU**

This Panorama 1974 yearbook is dedicated to you, the students, the administration and the parents! Without your participation this yearbook would not exist.

The Panorama staff went to Watertown for its annual yearbook meeting. We learned many new things and among the most important the fact that dedications are out. It is unfair to dedicate the yearbook to one or even two people, when everyone in the community is involved. So we, as the yearbook staff, dedicate this yearbook to the good luck and success of all involved. You the students, administration and parents, thank you for being there.

Prom Night

"We've Only Just Begun"

Prom night, June 2nd, proved to be a very enjoyable and exciting night.

Oymyx played just the right kind of music for such a special night. The decor of the prom created a garden-like atmosphere.

Everyone looked especially nice, was happy, and had an expecially nice time.

Being chosen as an exchange student is really a rewarding experience. I feel lucky to have been this last year's representative to Mexico.

Mexico is really an exciting country to visit. There are lots of places to see, like Mexico City, Oaxtapec, Teotihuacan, the country and of-course Acapulco, but the most memorable and valuable aspect of my trip was living with really fantastic family, meeting people and making new friendships.

Since our school started playing soccer last year, the team has developed rapidly. This fall we finished in second place, and had a chance to finish in first until we lost the last game. Highlights included winning four games in a row, posting four shutouts this season, and an exciting 2-0 win over Colton-Pierrepoint. We made the playoffs in just our second year of play, but lost to Knox in the first playoff game.

Jack Keener was named to the first All-League Team at center-half, while Dick Bicknell (line) and Willard Witherall (goal) were named to the second team. Other standouts during the season were Vlad Hampl, Mike Barton, Kevin Richardson, Don Wright and David Richardson. We will miss the many seniors who played this year, but are looking forward to another good season next fall as we still have many players returning.

Kevin Richardson

Bad weather and no home games took their toll on our baseball team last spring. We were unable to play (or practice) at all on our baseball field last spring due to wet grounds. Even though we had these problems, we finished in fourth place, behind Brushton, St. Joe's, and Heuvelton. We played only eight games out of the scheduled twelve, however.

Dick Bicknell was named to the first team, All League, at third base for the second year. Kevin Richardson, Willard Witherall, Steve Burdett, Danny Emlin and Mike Barton also played well during the season.

After finally making the playoffs last year, the Panthers are looking to repeat, and possibly improve, their position. With six out of the seven teams as definite contenders, it will be tough for any team to dominate the whole league. The team, led by six seniors who are returning for their last season, is off to an exciting, successful start. We won our Thanksgiving Tournament, defeating Knox 82-40 and C-P 79-40. Jack Keener, Dick Bicknell, and Mike Barton were named to the Tournaments All-Star team. We are sure the rest of the season will be just as exciting as the beginning of it.

Athletic Banquet

At the closing of the school year, all the athletes and cheerleaders look forward to their banquet. Our guest speaker, Mr. Robert Goodwin, was a coach at St. Lawrence University. Awards, such as most valuable player and most improved players were given to Varsity and Junior Varsity players.

The girls' athletic teams also participated in the presentations. Sue Hayes received the most valuable player award, for basketball, while Jennifer Waite made the most points and Karen McKnight was the most improved. Everyone is looking forward to this year's banquet.

Administration/ Faculty

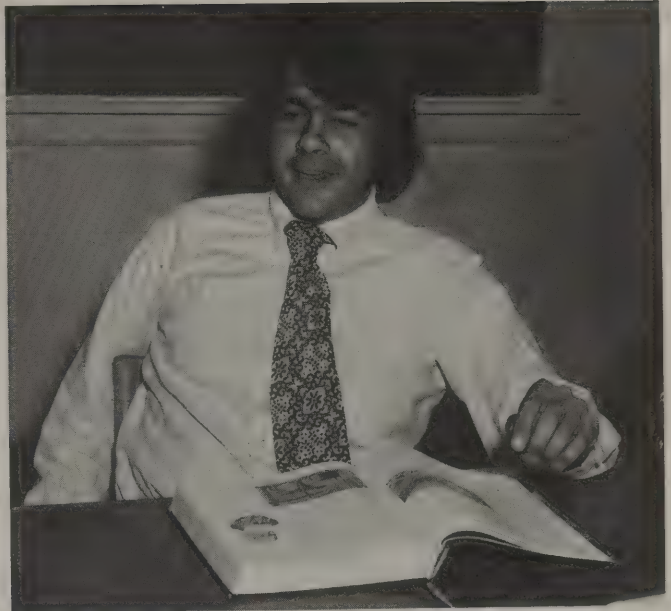

Mr. Tyler

The class of nineteen hundred and seventy-four has now the threshold of full responsibility in an ever changing society. A day of shortages, high prices, and unemployment will challenge each and every one of our graduates. Plan on acquiring the skills needed in our society so you can overcome these problems that face all of us for now you must assume your role in our society.

Parent — Teacher Night

Part of our National Education Week festivities was Parent-Teacher night. On this night parents came to receive their childrens' report cards and visit teachers to discuss any particular problems their children might be having. The National Honor Society and Student Council provided guides to help parents locate classrooms.

Following these visitations parents and teachers gathered in the cafeteria for refreshments. At this time, parents and teachers were able to meet in a more informal atmosphere. The evening was a great success for all that participated.

The Resource

75 students from grades 2-12 help to keep the resource center running smoothly. These students make up the Junior and Senior Library Clubs.

They have reorganized the library under Mrs. Ramsdell's direction. All books and their sign out cards are color coded by section. The books are arranged under a simplified Dewey Decimal System.

The k-3 students have a listening corner which consists of a T.V., record player, flimstrip projectors, chalk boards, puzzles, coloring books, puzzle sheets and story books. This corner is open all day long for the student's use.

Center

The junior and senior high school students have a new section of paperbacks as well as sports and fiction books which are available for their use. They also have a record player with earphones which is used throughout the day, as well as a variety of puzzle sheets.

There are tapes, teaching sheets and filmstrips on various topics available to teachers as well as a professional shelf.

The Resource Center is open to grades K-12 on a free flow basis.

"Where Minds Meet"

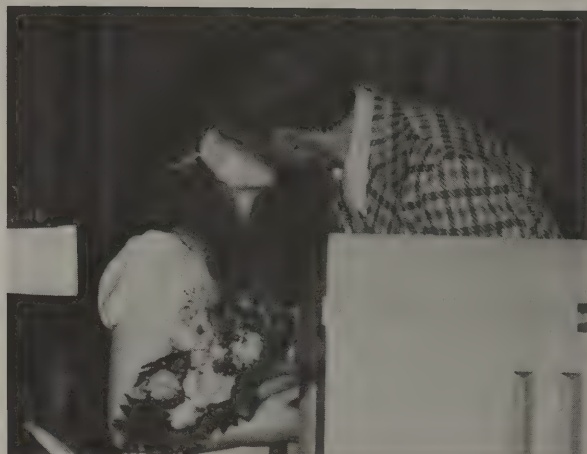

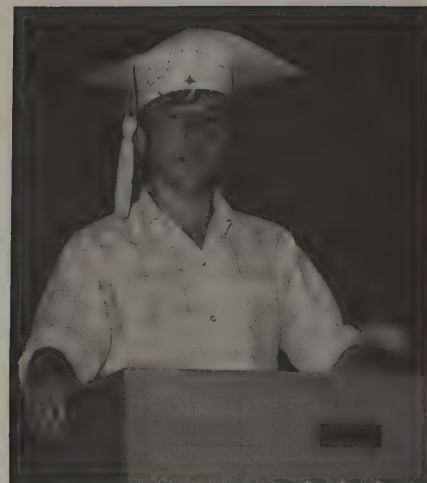

1973 Variety Show

Many performers gathered together in our 1973 Variety Show to give to an expectant audience, a few minutes of laughter, excitement or just pleasing entertainment.

As usual the boys' kickline was the hit of the show. Not only did students participate in the Variety Show, but also members of the community contributed their time and energy into making the show a success. Due to everyone's help, we were able to raise the funds needed for our foreign exchange program.

Moving Up Day

It's a day of fun and rewards. It's a day that everyone is looking forward to and is excited about. Some of the awards were as follows: Awards from Clarkson College for Participation in High School enrichment program, given by Mr. Cox to Robert LaRue, Gilbert Webber, George Colvin and Ricky Trim; President's Speech, Steve Huto; The Society for Outstanding American High School Students, Teresa McKnight, Vladimir Hampl, Gilbert Webber, Susan Hotaling, Greg Peck, Linda Thompson, Robert LaRue and Randy Thompson. Randy Thompson awarded Susan Hotaling with a kiss and roses for being Miss Parishville, and Eva Hampl was runner-up for Miss Parishville. The best student award from Marine Midland National Bank was given to Dannie Emlin by Mrs. Ramsdell.

Parishville's outstanding students were, Greg Peck, Randy Thompson, Robert LaRue, Linda Thompson, and Gilbert Webber. Cit. Ed. awards were given to Susan Hotaling, Angela Ferrari, Vladimir Hampl, Linda Phippen, Eva Hampl. Conservation award from Bailey's Greenhouse was given to Mike Barton by Mr. Seybert; and last but not least is of the class of '73 and its fair-well to Parishville and it's good luck to the rest of its students.

The Panorama Officers of 1973: Mrs. DeHoney, N. Wisner, S. Hayes, L. Kingsley, S. McKnight, H. Gushea.

Shirley McKnight presents Mr. St. Andrews with a Boutonniere.

Mr. Tyler receives his yearbook and the rose of remembrance.

Cancer

"Send a Mouse to College"

The second annual cancer fund drive was held in April. Cancer Night was a success again due to the efforts of both library club members, YAC, students and faculty. The night began with a volleyball game between female and male faculty members. Both sides were cheered onto victory by the talented boys cheerleading squad. The game was followed by a cake walk and a stuffed mice raffle. The evening ended with a basketball game between the female faculty and high school girls' team.

With the help of a daffodil sale and individual rooms in K-6 which had a walk-a-thon, raffles, food sales and white elephant sales, odds and ends sales and the room contests, the Cancer Fund was given a check for \$851.65.

Looking like the giant Manta Ray for which she is named SKYRAY, ranks as one of the world's fastest fighters. Highly maneuverable and flying at far more than Supersonic speeds, the F4D cruises high above the task ready to intercept and destroy enemy aircraft. Aviation is only one of 70 fields the Navy has. If you are looking for a good job with good pay and benefits, look into the NAVY, it might pay you.
